

About Me

Table of contents

Hi there! I'm Ramanuj Raman, a physics enthusiast with a keen interest in every problem of physics I can get my hands on. Currently, I am pursuing my Int-BSMS at the Indian Institute of Science Education and Research (IISER) Mohali. I am in my final year and working on my master's thesis on *Error Budget in Dispersive Readout* at PGI-8 (Instiute for Quantum Control), at Forschungszentru Jülich, Germany, under the supervision of Prof. Dr. Felix Motzoi and Dr. F.A. Cardenas Lopéz.
